Turning Heads is now offering Acrylic and Fiberglass Wrap Nail Enhancements.

Acrylic Overlay Great for clients who work with their hands, desire a classy look and would like length added to their natural nail. Maintenance for acrylic only suggests a fill-in every 2-3 weeks. **Fiberglass Overlay** A natural nail or tip overlay that is a transparent self-adhesive mesh that is made durable with an adhesive. The Fiberglass overlay is perfect for clients in the business area that have trouble growing their own strong looking nails. Fiberglass enhancements are very thin and a natural look that only suggests a fill-in every 3-4 weeks. Prices Starting:
